STATE OF COLORADO FISCAL RULES

Travel Advances

Travel advances of \$500 or less, shall be obtained by using the state travel card whenever possible. Travel advances may be requested from the state if the travel advance cannot be obtained from the state travel card or if the travel advance exceeds \$500. Under no circumstance shall a travel advance be requested from the state in excess of the statutory limit. CRS 24-30-202 (20.1), establishes the maximum authorized amount for a travel advance.

Travel advances requested from the state must be authorized by the approving authority, approved by the chief fiscal officer, or a delegate, of the state agency or institution of higher education, and contain the following statement, signed manually or electronically by the traveler:

"I hereby appoint and constitute the State Controller or delegate my attorney-in-fact for the purpose of receiving all funds due me and reimbursing the State of Colorado there from and may demand and receive any moneys or credits payable to me from the State of Colorado to the extent necessary to accomplish said reimbursement."

It shall be the responsibility of the chief fiscal officer, or a delegate, to take steps necessary to assure that each travel advance received from the state is repaid within 60 days after the conclusion of authorized travel.

Travel Reimbursements

Upon completion of travel, a travel reimbursement voucher must be filed to obtain reimbursement for approved travel expenses. The travel reimbursement voucher shall contain a statement as to the purpose of the travel.

Lodging, meals, and other reimbursable travel expenses shall only be reimbursed for the period of time necessary for the traveler to accomplish the state business. When a traveler uses an alternate method of transportation, which is authorized by the approving authority, any additional time required to complete the state business shall be charged to approved leave.

If lodging, meals, or transportation expenses are included in conference fees, registration fees, or are otherwise furnished at no additional cost to the traveler, no reimbursement shall be made for these items. If, however, a meal included in a commercial transportation ticket is not adequate, and the traveler incurs an additional meal expense, reimbursement may be claimed at the authorized per diem rate for that meal.

When reimbursement for travel expenses is claimed, the travel voucher shall contain the following certification signed manually or electronically by the traveler:

STATE OF COLORADO FISCAL RULES

"I certify that the statements in the above schedule are true and just in all respects; that payment of the amounts claimed herein has not and will not be reimbursed to me from any other sources; that travel performed for which reimbursement is claimed was performed by me on State business and that no claims are included for expenses of a personal or political nature or for any other expenses not authorized by the Fiscal Rules; and that I actually incurred or paid the operating expenses of the motor vehicle for which reimbursement is claimed on a mileage basis."

STATE OF COLORADO FISCAL RULES

The travel reimbursement voucher shall be endorsed manually or electronically by the approving authority unless the travel has been pre-approved and the reimbursable expenses claimed are within the limits established prior to the trip.

The following rates shall be used for reimbursement of travel expenses:

.01 Lodging

Employees authorized to travel shall be reimbursed the actual cost of reasonable accommodations. Employees may be required to use approved or designated lodging facilities in certain areas to assist the state agency or institution of higher education in controlling travel cost. Reimbursement shall be limited to the cost of commercial lodging. Receipts for lodging shall be obtained and submitted with the travel expense voucher.

.02 Meals

Employees authorized to travel shall be reimbursed for the cost of meals, including tax, tip and other incidental expenses at the per diem rates established by the State Controller in Appendices A, B, and C to this chapter of the state fiscal rules. These rates will closely follow the per diem rates established by the federal government for their employees and be published periodically by the State Controller. The authorized per diem reimbursement rate may be claimed for each meal the traveler would normally have eaten while in travel status.

Under no circumstances shall an employee claim more than the established per diem rate, however, an employee may claim the actual cost paid for a meal if the actual cost is less than the per diem reimbursement rate. Receipts for meals are not required.

.03 Transportation

Employees authorized to travel shall be reimbursed only for the cost equivalent of the most cost beneficial method of transportation available, which will satisfactorily accomplish the state business.

If travel includes commercial transportation and the travel tickets were purchased by the state for the traveler, ticket receipts need not be submitted with the travel voucher. If, however, the travel tickets were purchased by the traveler, a receipt shall be submitted with the travel voucher.

EXCEPTIONS TO RULE:

.01 Allowances for members of statutory boards or commissions

Board and commission members shall be paid in accordance with the statutory provisions establishing the board or commission. Board members may be reimbursed for actual and necessary expenses incurred in the performance of their duties. These actual and necessary expenditures should be reasonable under the circumstances and the board or commission member should be made aware that public funds are the source of the reimbursement.

Board or commission members may also be reimbursed for childcare services. The chief executive officer, or a delegate, of the state agency or institution of higher education shall determine the need for childcare reimbursement. Reimbursement shall not be made to a family member and receipts shall be furnished with the reimbursement request.

.02 Allowances for state job applicants

In order to obtain the best-qualified individual for a given position in the state it may be necessary to pay interview related travel expenses for job applicants. At the discretion of the chief executive officer, or a delegate, such travel expenses may be reimbursed to the applicant at the per diem rate established by the State Controller for state employees.

.03 Allowances for travel by the Governor of Colorado

In the case of travel by the Governor, security, protocol, ceremonial functions, and overall time demands may require considerations not accorded any other state official or employee. Protocol may often require the spouse to travel with the Governor.

The use of state-owned aircraft, commercial airlines or state-owned automobiles by the Governor shall depend upon time constraints and security needs.

When the Governor allocates travel costs between official state business and personal or political, the allocation shall take into account all the various factors involved in the trip.

STATE OF COLORADO FISCAL RULES

.04 Allowances for travel not solely for state business

In some instances the purpose of travel may not be solely for state business. It may be partially for official business and partially for personal or political reasons. In these instances, the individual involved shall make a reasonable allocation of the expenses. Where such an allocation is made, the travel reimbursement request shall contain sufficient documentation to indicate the allocation made and the basis for the allocation.

If a state employee obtains lower rates for lodging or transportation because travel is extended for personal or political reasons, these lower rates shall also apply to the business portion of the trip.

.05 Allowances for travel paid directly by a non-state entity

In limited instances, State officials and employees may be invited to attend committee meetings, seminars, or conferences concerning official state business where their travel expenses are either paid directly by the sponsor or they are reimbursed by the sponsor. In such instances the employee may accept the invitation if the travel has been approved by their approving authority.

.06 Allowances for travel with spouse, relatives, or friends

The state shall not reimburse the cost of an employee's spouse or other person(s) accompanying the state employee on a business trip, unless specifically provided in this fiscal rule. Conversely, the state shall not receive any benefit from a lower travel fare resulting from the state employee's spouse, relative, or friend accompanying the employee on a business trip.

Sufficient documentation of the cost of the official business portion of the trip shall be included with the travel reimbursement voucher.

.07 Allowances for travel wholly within a single day

If travel is wholly within a single day, reimbursement for lunch shall not be allowed. If, however, an employee leaves home on official business prior to 5:00 a.m. and/or remains away from home after 8:00 p.m. and the official business requires the employee to extend the workday, the approving authority may allow a meal allowance for breakfast and/or dinner for the traveler.

.08 Allowances for travel by leased or privately owned aircraft

STATE OF COLORADO FISCAL RULES

- A. A state agency or institution of higher education shall not lease an aircraft without the prior written approval of the Aircraft Section of the Colorado State Patrol in the Department of Public Safety, regardless of the source of funds. This includes the lease of any replacement aircraft for those presently operated by the state agency or institution of higher education.
- B. A state agency or institution of higher education shall not authorize the use of a privately owned aircraft without the prior written approval from the Office of Risk Management. No reimbursement shall be allowed unless the required prior written approval has been secured.

.09 Allowances for travel by privately owned automobile

Reimbursement is allowed for actual business mileage traveled when using a privately owned vehicle for business purposes only when the use of the privately owned vehicle has been authorized by the approving authority. Employees shall normally be reimbursed at the mileage rate designated for two-wheel drive vehicles. Employees shall only be reimbursed at the mileage rate designated for four-wheel drive vehicles when the use of four-wheel drive is necessary because of road, terrain, or adverse weather conditions.

Commuting expenses incurred in traveling between an employee's residence and a primary work location are non-reimbursable employee expenses. However, upon approval of the appointing authority, an employee may be reimbursed for use of a personal automobile when commuting between his/her residence and a temporary work location. Reimbursement shall be for the number of miles between the employee's residence and the temporary work location or the employee's regular work location and the temporary work location, whichever is less.

CRS 24-9-104(2), establishes the mileage rate to be used for reimbursement for official state travel.

.10 Allowances for travelers furnishing their own lodging and meals

When employees in travel status are furnishing their own lodging and meals, the state agency or institution of higher education may negotiate a special per diem rate for that period of travel. The rate negotiated shall be on a case-by-case basis and under no circumstance shall the negotiated rate exceed the normal per diem rates established by this fiscal rule.

.11 Travel Insurance

Travel insurance may be purchased when it benefits the state if approved by the agency's travel officer as defined in subsection 20, 1 CCR 103-1.
